

König Felt Touch-Up Dye Pen 210 000

Uses

- For the glazing dyeing of slight surface damages to furniture and inside furnishings.
- For the coloured preparation and touch-up of surface repairs.
- Recommended for indoor use.

Characteristics

- Dries rapidly.
- Water resistant.
- Good adhesion to varnished and wood surfaces that are free from dust and grease.
- Can be varnished with all König clear lacquers.
- To be refilled with the relevant König Touch-Up Dye 220.

Application

To blend colour after application, dab colour deposits whilst damp with the fingertip or a small cloth. If glaze has already dried up, use wire wool to blend colour if it is too dark.

With raw surfaces create a barrier coat with König Universal Basecoat 312 to prevent the glaze from penetrating too deeply into the wood fibre.

Very smooth lacquer surfaces should be roughened up slightly with fine wire wool or to given a thin coat of König Special Repair Lacquer PLUS 336300-340300 to ensure a good adhesion of the glaze.

After use, put cap on firmly with a 'click' to prevent pen from drying up. Tips are commodities which have to be replaced when worn out.

If necessary, adjust gloss sheen with Special Repair Lacquer PLUS 336300-340300.

Specifications

Dust-dry:	after 1-2 minutes.
Touch-dry:	after approx. 5 minutes (dependent on room temperature and coat thickness).
Water resistance:	good.
Adhesion:	very good, except to PE/PP, limited adhesion to UV-hardened lacquer systems and powder lacquers.
Can be lacquered over:	unproblematically – as far as known.
Shelf life:	at least 2 years (stored at room temperature, in original unopened container)

Safety Precautions

- Keep out of reach of children.

Extract of wordings of the law. For further information please see label and Material Safety Data Sheet.

Disposal

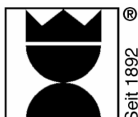

- Do not allow product to enter drains or watercourses.
- Pen to be added to the household waste, only when completely emptied and dried-out.
- Material leftovers to be disposed of according to the European Waste Code 080111 – *waste paint and varnish containing organic solvents or other dangerous substances.*

Packaging

Single pen
