

Intended Use

- Suitable for all surfaces subject to low mechanical stress.
- To fill fine scratches, small (nail) holes and abrasions on edges of wood and artificial (furniture) surfaces. (We recommend to protect the repaired area by varnishing with König clear lacquer.)
- Recommended for indoor use.

Characteristics

- Mixture of mineral waxes, coloured with earth and oxide dyes.
- Easy to apply.
- Colours can be intermixed.
- Only limited mechanical resistance.
- Only limited heat resistance.
- A handy 'lipstick tube' allows clean working and a loose transportation in trouser pockets.

Application Notes

Rub in DUO Royale crosswise to the scratch using light pressure. With damage on edges, rub in wax alongside the edge. Use the bevelled edge of the Special Fillers Applicator to spread the applied wax with circular motions using light pressure and to strip off excess material. Wipe over edges with a cloth to blur excess wax.

To degrease the surrounding area, stretch a single layer of fine cloth tight over the Felt Pad, the Cork Block or over the bevelled edge of the Special Fillers Applicator and clean the surrounding area.

Finally, use Special Repair Lacquer PLUS, AQUA Clear Lacquer or rather Brush Pen Clear Lacquer to protect the repaired area from dust and dirt or rather to seal while adjusting the sheen level (spray a light misty coat from a distance of 30-40 cm).

Physical Properties and Shelf Life

Softening point:	approx. 50°C	(ISO 2207)
Dropping point:	approx. 60°C	(DIN 51801)
Mechanical stability:	low	
Overcoat:	with Special Repair Lacquer PLUS and AQUA Clear Lacquer	
Adhesion:	good adhesion, inter alia, to wood, plastics, paper foil	
Shelf life:	unlimited (stored at room temperature, in unopened original container)	
Special note:	Avoid direct sunlight and temperatures above 40°C during storage and transportation – risk of deformation.	

Safety Precautions

- The mixture is classified as not hazardous according to regulation (EC) No. 1272/2008 [CLP].

Disposal

- No special disposal regulations to be observed. Can be disposed of with normal household waste.

Packaging

On request.
