

König Touch-Up Dye

220 000

Intended Use

- For the glazing, transparent touch-up by brush for fine grain patterns.
- For patinating with the paint spray gun or with the airbrush gun.
- For dyeing from light to dark.
- To refill König's Felt Touch-Up Dye Pen.
- To tone down König's Colour Touch-Up and all König lacquers,
- Recommended for indoor use, only.

Characteristics

- A fast-drying transparent glaze.
- Colour-intensive, can be mixed among each other and also with other König products.
- Limited use on waxed and oiled surfaces.
- Dye application resists wiping and water. Use Liquid Sandpaper to resolve.
- Not to be applied to untreated surfaces.

Application Notes

With varnished surfaces, clean damage area to be free from dust and grease.

Take up Touch-Up Dye with the König brush, strike off excess material and apply several thin, not wet brush strokes to re-dye or to replicate the grain pattern.

After drying, tone down and adjust transitions with Wire Wool while gently wiping over in the direction of the grain.

Always seal Touch-Up Dye application with König Furniture Lacquer PLUS, König Special Repair Lacquer PLUS or with AQUA Clear Lacquer (protection and sheen level adjustment). Instead of applying too heavy coats, apply 2-3 thin misty coats from a distance of 30-40cm.

Physical Properties and Shelf Life

Dust-dry:	after a few seconds
Water resistance:	very good
Adhesion:	very good (except to PE/PP), limited adhesion to powder-lacquered surfaces
Overcoatable:	with all König lacquers
Shelf life:	at least 2 years (stored upright at room temperature, in unopened original container)

Safety Precautions

Please refer to label and material safety data sheet.

Disposal

- Do not allow product to enter drains or watercourses.
- Non-contaminated packaging may be recycled.
- Leftover material to be disposed of according to the European Waste Code 080111 – *waste paint and varnish containing organic solvents or other dangerous substances.*

Packaging

On request.
