

# König Touch-Up Paint Box

250 000

## Intended Use

- For precise touch-up work by brush.
- For touch-up prior to filling scratches and holes with König fillers.
- Adjustable from glazing to opaque.
- Can be used on all wood and décor surfaces.
- For indoor and outdoor use.

## Characteristics

- Pigmented acrylic-based covering lacquer in a solid form.
- High opacity.
- Overcoatable.
- Good adhesion to many lacquer, plastic and metal surfaces (not to Soft-PVC).
- Good lightfastness and weather-resistance (adequate coat thickness required!).
- Gloss level: silk matt.
- Colours can be intermixed.

## Application Notes

Use the pipette to drip Cellulose Thinner directly onto the chosen colour. Then, dissolve the dye in the chip using a brush, and, if necessary, mix with other colour shades on a separate mixing board or on a Plastic Film to the colour shade desired.

Start with the basic shade and then restore the grain applying fine strokes and dots. Do not oversoak.

Seal the repaired area with Special Repair Lacquer PLUS while adjusting the sheen.

If used outdoors, it is vital to seal with Furniture Lacquer PLUS.

## Physical Properties and Shelf Life

<b>Shape:</b>	dry lacquer
<b>Lightfastness:</b>	good
<b>Weather resistance:</b>	good
<b>Shelf life:</b>	minimum 2 years (stored at room temperature, in unopened original container)
