

**Intended Use**

- To be used on lacquer, décor and laminate surfaces.
- To spray onto small partial areas without showing any overspray.
- For sheen level adjustment.
- For the sealing of repaired damages.
- Recommended for indoor use.

**Characteristics**

- A transparent nitrocellulose-based combination lacquer.
- Sheen levels deep matt through gloss.
- Free from formaldehyde and aromatic substances.
- Good steam resistance.
- Dust-dry after approx. 5-10 minutes – dries to the touch in about 20 minutes.
- Suitable to build up a coat of very thin layers.
- Good adhesion properties.
- Good mechanical and chemical resistance.

**Application Notes**

Shake can well before use and briefly spray valve free. Test product on an inconspicuous area first to ensure adhesion and compatibility with the surface.

Surface must be clean and free of dust and grease. Pre-treat, if necessary (sand lightly and remove sanding dust).

Just spray on misty thin coats of lacquer from a distance of approx. 30-40 cm. Allow lacquer to dry for approx. 5 minutes before applying the next coat (at room temperature).

When sealing the repaired area with touch-up paints, the repair will turn brighter for a short time. On drying, original colour reappears.

**Physical Properties and Shelf Life**

<b>Dust-dry:</b>	after 5-10 minutes
<b>Touch-proof:</b>	after 20 minutes
<b>Hard cured:</b>	after 7 days
<b>Resistance:</b>	PVC-resistant
<b>DIN 68861-1B:</b>	chemical resistance
<b>DIN 4102-B2:</b>	not easily inflammable
<b>Levelling:</b>	good
<b>Light resistance:</b>	good
<b>Shelf life:</b>	minimum 2 years (stored upright at room temperature, in unopened original container)

**Safety Precautions**

Please refer to label and material data sheet.

**Disposal**

- Dispose of König aerosol cans in accordance with legal requirements only, when completely empty. For further information, please ask your local waste industry office.
- Leftover material to be disposed of in accordance with EWC 150110 (packaging containing residues of or contaminated by dangerous substances).
- Heinrich König & Co. KG take care of the disposal of Sprüh-König aerosol cans, provided they are returned 'carriage paid' to the address stated below.

**Packaging**

On request.
