

Intended Use

- For gentle cleaning of plastic, metal and varnished surfaces.
- Removes common household soils.
- To pre-clean varnished surfaces that are to be treated afterwards (e.g. maintenance of glazed wooden windows and doors, re-lacquering etc.).

Characteristics

- Water-based product.
- High cleaning capacity.
- Protects the surface.
- Biodegradable.
- Odourless.

Application Notes

Test Eco Cleaner on an inconspicuous area first to ensure compatibility with the surface. Apply Eco Cleaner to a lint free cloth and wipe over soiled area using light pressure. If necessary, repeat procedure (e.g. strong soiling).

Do not leave too much cleaner on the surface (avoid creation of stains).

Physical Properties and Shelf Life

Colour: clear reddish
Shelf life: minimum 2 years
(stored at room temperature, in unopened original container)

Protect from frost!

Safety Precautions

Please refer to label and material safety data sheet.

Disposal
